Sign up now for a Redwood River Sportsman Club Youth Trap League.

Shooters must be 18 and under with a Valid Firearm Safety Certificate to shoot on a league.

The youth trap league will be a 10 round - 16-yard league (10 rounds = 250 targets).

League rounds can be shot from June 4th, 2019 through August 28th, 2019 during the Redwood River Sportsman's Clubs open hours. The club's hours of operation are listed below. If rounds are not completed by August 28th the shooters scores will be calculated short the missed rounds.

The cost to the youth to shoot a league is \$7.50 / round times 10 rounds at a cost of \$75. This cost for the youth league will cover their rounds of clay targets and their league rounds of ammunition. In addition, this covers the cost of awards and the yearend banquet supper for the youth. A Redwood River Sportsmen Club membership will be required by the family of the youth to shoot on the league. Family memberships cover the immediate family and children 18 and under and the cost is \$50 per calendar year.

The League fee does not include the cost of practice rounds. Practice rounds can be shot at \$4.00/ round plus the cost of shells (purchased at the RRSC clubhouse or bring their own).

Total cost to participate in the youth summer Clay Target League is \$75 for 10 round league + \$50 Membership (if not a member) or \$125.

Trap Teams consist of 5 shooters that will be chosen at random from all youth that sign up. This is the most fun since shooters will be at many different skill levels, it will level the shooting field. The entire team does not need to be present for the youth to shoot their league rounds but is encouraged to support teammates.

The Adult and Youth League yearend banquet will be held on Sunday, September 22nd from 4 PM – 8 PM at the Redwood River Sportsmen Club. First and second place teams will be awarded along with top Male and Female shooter at the Banquet. Parents and family of the youth can attend the League Banquet at a cost of \$10 / person and an RSVP.
